

# On the Road - Driver Evaluation

Driver Name: \_\_\_\_\_ DL: \_\_\_\_\_ Date: \_\_\_\_\_

Type: CD ☐ O/O ☐ O/O Dr ☐ Role: Single ☐ Team ☐ City ☐ Short Runs ☐

Placing Vehicle In-Motion:		Operating In Traffic:	
Selects correct gear for starting		Selects/Maintains Correct Lane Position	Observes Properly on Approach
Prevents Roll-Back when Starting		Uses Mirrors correctly to check traffic	Slows / Gears down properly on approach
Upshifts Correctly		Uses Proper Eye Lead Time in Traffic	Stops in Correct Position
Uses Clutch Properly		Maintains Safe Distance from Vehicles	Does not impede Crosswalks
Uses Proper Shifting Techniques		Anticipates actions of other Motorists	Leaves Proper Space in Front
		Anticipates changing traffic conditions	Avoids Sudden / Hard Stops
			Yields Right-of-way to vehicles / Pedestrian

Right / Left Turns:		Highway Driving:	
Signals turn well in advance		Approaches highway entrance properly	Checks other traffic before beginning turns
Approaches the turn smoothly		Uses Acceleration Ramp Properly	Anticipates Actions of Other Drivers
Selects correct lane on approach to turn		Selects correct gear in advance of beginning turn	Uses Deceleration Ramp Properly
Uses Signal to merge with Traffic		Merges smoothly with traffic	Exits Highways Safely
Avoids shifting while turning		Selects correct lane while driving along	Watches for changes in Traffic Conditions
Turns into the correct lane		Checks mirrors regularly for following traffic	
Uses mirrors throughout the turn		Maintains safe distance between vehicles	

Defensive Driving:		Defensive Driving (cont:)	
Understands All Vehicle Systems		Uses care when crossing railways	Properly inspects cargo for sustainability / Securement
Understands / Obeys all warning and traffic signs		Maintains constant speed	Understands the effects of unsecured cargo
Courteous to Other Drivers		Speed constant with basic ability	Familiar with all equipment used for securement
Utilizes proper space management		Speed within Legal Limits	<b>GPS</b>
Good Traffic awareness and analysis		Does not stop on railway tracks	Does he have a GPS?
Understands Correct Uses		Regularly checks instrument	Is the GPS a Truck GPS?
Constantly Alert and Attentive			How Proficient in use of GPS.

Standards	
1 – Not Satisfactory – Requires Training	3 – Satisfactory – Meets Expected Standards
2 – Fair – Requires more practice to meet standards	4 – Very Good – Exceeds Expected Standards
