DRIVER'S RIGHTS PERTAINING TO RELEASE OF DRIVER **INFORMATION UNDER REGULATIONA 391.23**

Motor carriers have the responsibility to make the following investigations and inquiries with respect to each driver employed, other than a person who has been a regularly employed driver of motor carrier for a continuous period which began before January 1, 1971.

- *(a)(1) An inquiry into the driver's driving record during the preceding three years to the appropriate agency of every State in which the driver held a motor vehicle operator's license or permit during those three years.
- *(a)(2) an investigation of the driver's employment record during the preceding three years.
- *(b) A copy of the driver record(s) obtained in response to the inquiry or inquiries to each State driver record agency as required must be placed in the Driver Qualification File within 30 days of the date the driver's employment begins and be retained in compliance with 391.51.
- *(c) Replies to the investigations of the driver's safety performance history must be placed in the Driver Investigation History File within 30 days of the date the driver's employment begins. This goes into effect after October 29, 2004.
- *(d) Prospective motor carrier must investigate the information from all previous employers of the applicant that employed the driver to operate a CMV within the previous three years. This information must cover general driver identification and employment verification information, data elements as specified in 390.15 for accident involving the driver that occurred in the three-year period preceding the date of employment application and any accidents the previous employer may wish to provide.
- *(e) Prospective motor carrier must investigate the information from all previous DOT regulated employers that employed the driver within the previous three years from the date of the employment application an a safety sensitive function that required alcohol and controlled substance testing specified by 49 CFR Part 40.

Drivers have the following rights:

- 1. The right to review information provided by previous employers.
- 2. The right to have errors in the information corrected by the previous employer and for that previous employer to resend the corrected information to the prospective employer.
- 3. The right to have a rebuttal statement attached to the alleged erroneous information, if the previous employer and driver cannot agree on the accuracy of the information.

Drivers who wish to review previous employer-provided investigative information must submit a written request to the prospective employer when applying or as late as 30 days after employed or being notified of denial of employment. The prospective employer must provide this information to the applicant within 5 business days of receiving the written request. If the driver has not arranged to pick up or receive the requested records within 30 days of the prospective employer making them available. The prospective motor carrier may consider the driver to have waived his/her request to review the records.

Drivers wishing to request correction of erroneous information in records must request for the correction to the previous employer that After October 29, 2004, the previous employer must either correct and forward the information

provided the records. After October 29, 2004, the previous employer must either correct and forward the information to the prospective motor carrier employer or notify the driver within 15 days of receiving the driver's request to correct the data that does agree to correct the data. Drivers wishing to rebut information in records must send the rebuttal to the previous employer with instruction to include the rebuttal in the driver's Safety Performance History.

Optional information: ___ **Driver Name Driver Signatures** MM WITNESS: Signatures MM Conveyance Security - Trailer Seal Procedure Following procedure must be followed at all times ab all drivers. These procedures are in accordance with C-TPAT regulations for loads going to USA. As a driver for Fellows Trans Inc. it is your responsibility to understand and follow these procedures at all times. A high security seal that meets or exceeds ISO PAS 17712 must be affixed to all the trailers crossing international borders. Drivers are responsible to verify that such a seal has been placed on the trailer by the shipper. If shipper has not put the required seal on the trailer, the driver must immediately contact the dispatch and place required seal on the trailer. The seal number must be recorded on the bill of sale. Under no circumstances is a driver allowed to remove or tamper with the seal once affixed on the trailer. However driver should verify the integrity of the seal by tugging or twisting the seal. The driver is to make sure that during the process it SHOULD NOT BREAK. Drivers are responsible to ensure that the required seal is in place and is intact. If the seal shows signs of tampering, dispatch is to be informed immediately. If the seal is removed during the transit to the border even by government officials, a second seal must be placed on the trailer. The second seal number must be recorded on the bill of Lading. The official is authenticate the change of the deal number by signing and putting stamp on the bill of lading. The process is to be communicated to the dispatch as soon as possible. By signing this document the driver confirms having read and understood the above procedure and assures his commitment to ensure its following at all times. **Driver Signatures Driver Name** Certificate: Certified that contents of this whole document were explained to the prospective driver who acknowledges to have understood.
